

# 15 Step

## Radiohead

How come I end up where I started?  
How come I end up where I went wrong?  
Won't take my eyes off the ball again You reel me out then you cut the string  
How come I end up where I started?  
How come I end up where I went wrong? I won't take my eyes off the ball again  
First you reel me out and then you cut the string  
You used to be alright  
What happened?  
Did the cat get your tongue?  
Did your string come undone?  
One by one One by one  
It comes to us all  
It's as soft as your pillow  
You used to be alright What happened?  
Et cetera, et cetera  
Fads for whatever  
Fifteen steps  
Then a sheer drop  
How come I end up where I started?  
How come I end up where I went wrong?  
Won't take my eyes off the ball again  
You reel me out then you cut the string
