

Butterfly

Herbie Hancock

[Vs1]

Precious Day... lights your way
Rest your wings... stay awhile
You're the sun... in my sky

Butterfly[Chor]

You don't know the peace you bring
You show me the secrets and the ways
To love every moment of the day
The flowers you kiss all come to life

[Vs2]

Soaring winds... rainbow waves
Touch my mind... feels so fine
When you're gone... people cry

Butterfly[Chor]

You don't know the peace you bring
You show me the secrets and the ways
To love every moment of the day
The flowers you kiss all come to life[Solo]

[Vs1]

Precious Day... lights your way
Rest your wings... stay awhile
You're the sun... in my sky

Butterfly

[Chor]

You don't know the peace you bring
You show me the secrets and the ways
To love every moment of the day
The flowers you kiss all come to life
To give all the love we know
To see all the light that we can see
And teach all our children not to lie
and maybe one day we'll fly [Repeat]
