## Fetty Wap

Zoo Zoo! 1738! M-80! RGF! Ayy just met her at the car, tryna rock my chain  
She wanna ride in my car, don't know my name  
She wanna rep my set, don't know my gang  
Girl don't flip that check, ain't nothin' change  
Cause girl we straight  
See we straight over here, baby Girl we straight, baby  
See we straight over here, baby  
Zoovier's known for sayin', "Yeaaaaaah baby!"  
And I'm a vision, crystal clear, baby  
I see you from a mile away, baby  
ZooWap, I am here to stay, baby  
Riding in my own lane, baby  
Fuck what these niggas say, baby  
I got bands, know I came, baby  
One eye rearranged, baby  
Flyin' in my Robin jeans  
Baby know my robin wings  
Zoovier's known for sayin', "Yeaaaaaah baby!"  
I swear I got my niggas, yeah baby

Remy Boyz go fuckin' hard, baby  
RGF they blowin' up, baby  
And we ain't takin' no loss, baby  
Gotta win, gotta win, gotta go  
Get them bands, get them bands, get that dough  
Gotta win, gotta win, gotta go  
Til they breakin' us in, we break in Ayy just met her at the car, tryna rock my chain  
She wanna ride in my car, don't know my name She wanna rep my set, don't know my gang  
Girl don't flip that check, ain't nothin' change  
Cause girl we straight  
See we straight over here, baby  
Girl we straight, baby  
See we straight over here, baby I hopped in the shower  
Then hopped in some pussy, then hopped in the shower  
Then hopped in the 'Rari  
And met up with Fetty and rolled up Rhode Island  
All of my niggas tote 30s and 40s  
These niggas be wildin'  
Hit 'em like Spalding  
Then switch in my car cause nigga we ballin'  
We the squad of the year, baby  
Pull up and hit your bitch from the rear, baby

All these carats and rocks in my ear, baby  
Make it hard for a nigga to hear, baby Say you wanna rock a nigga's chain, baby  
But first you gotta give a nigga brain, baby  
But hold up, you don't even know my name, baby  
But we can change that, it's M-80, baby  
Mothafuckin' RGF  
Mothafuckin' Remy Boyz  
Mothafuckin' Brick Squad  
It's our time, we're takin' off, squaaa!  
Ayy just met her at the car, tryna rock my chain  
She wanna ride in my car, don't know my name  
She wanna rep my set, don't know my gang  
Girl don't flip that check, ain't nothin' change  
Cause girl we straight  
See we straight over here, baby  
Girl we straight, baby  
See we straight over here, baby
