

# I Just Can't

## R3HAB & Quintino

Do you remember how I felt when we were just so young?  
Yeah, we'd do anything we wanted and we'd do it for fun  
Everything I wanna say, I can hear that so loud  
I got a voice in my head and I'mma let it all out  
Keep me up all night, I'm not sleeping  
I'm closing my eyes just to keep on dreaming  
Cause when I see your face my own senses leave me  
Yeah, I could be blind but I'd still see that  
I just can't, I just can't  
Cause when I see your face my own senses leave me  
Yeah, I could be blind but I'd still see that  
I just can't  
If there was ever any minute doubt in my mind  
A younger I still feels like it felt the first time  
Waited all of my life for this one day  
But I bet a million dollars that you feel the same way  
Keep me up all night, I'm not sleeping  
I'm closing my eyes just to keep on dreaming  
Cause when I see your face my own senses leave me  
Yeah, I could be blind but I'd still see that  
I just can't, I just can't  
Cause when I see your face my own senses leave me  
Yeah, I could be blind but I'd still see that  
I just can't
