

Life Is a Highway

Tom Cochrane

Life's like a road that you travel on
When there's one day here and the next day gone
Sometimes you bend sometimes you stand Sometimes you turn your back to the wind There's a
world outside every darkened door Where blues won't haunt you anymore
Where the brave are free and lovers soar Come ride with me to the distant shore
We won't hesitate break down the garden gate
There's not much time left today
Life is a highway
I want to ride it all night long
If you're going my way I want to drive it all night long Through all these cities and all these
towns It's in my blood and it's all around
I love you now like I loved you then
This is the road and these are the hands From Mozambique to those Memphis nights The
Khyber pass to Vancouver's lights
Knock me down get back up again
You're in my blood I'm not a lonely man
There's no load I can't hold
Road so rough this I know I'll be there when the light comes in
Just tell 'em we're survivors
Life is a highway
I want to ride it all night long
If you're going my way
I want to drive it all night long
Life is a highway
I want to ride it all night long
If you're going my way
I want to drive it all night long There was a distance between you and I
A misunderstanding once but now
We look it in the eye
There ain't no load I can't hold
Road so rough this I know
I'll be there when the light comes in
Just tell 'em we're survivors
Life is a highway
I want to ride it all night long
If you're going my way
I want to drive it all night long Life is a highway
I want to ride it all night long
If you're going my way
I want to drive it all night long
Life is a highway
I want to ride it all night long

If you're going my way
I want to drive it all night long
