Life Is a Highway

Tom Cochrane

Life's like a road that you travel on When there's one day here and the next day gone

Sometimes you bend sometimes you stand Sometimes you turn your back to the wind There's a world outside every darkened door Where blues won't haunt you anymore

Where the brave are free and lovers soar Come ride with me to the distant shore

We won't hesitate break down the garden gate

There's not much time left today

Life is a highway

I want to ride it all night long

If you're going my way I want to drive it all night longThrough all these cities and all these towns It's in my blood and it's all around

I love you now like I loved you then

This is the road and these are the hands From Mozambique to those Memphis nights The

Khyber pass to Vancouver's lights

Knock me down get back up again

You're in my blood I'm not a lonely man

There's no load I can't hold

Road so rough this I know I'll be there when the light comes in

Just tell 'em we're survivors

Life is a highway

I want to ride it all night long

If you're going my way

I want to drive it all night long

Life is a highway

I want to ride it all night long

If you're going my way

I want to drive it all night longThere was a distance between you and I

A misunderstanding once but now

We look it in the eye

There ain't no load I can't hold

Road so rough this I know

I'll be there when the light comes in

Just tell 'em we're survivors

Life is a highway

I want to ride it all night long

If you're going my way

I want to drive it all night longLife is a highway

I want to ride it all night long

If you're going my way

I want to drive it all night long

Life is a highway

I want to ride it all night long

If you're going my way I want to drive it all night long
