

Oh Girl (feat. Mr. Cheeks)

Julian Marley

This one is one of those kinda ones you know.
The kind you dream about you know what I mean?
I just wanted to let you, you mean everything to me.

Oh girl, I wanna have a talk with you.

Just to let you know, how I feel.

You make me feel like I am higher than the sky.

But I gotta be true to myself.

Keep my feet on solid ground.

You know just what you mean to me.

If you don't know baby, you are my destiny.

Where I wanna be is close to you.

I'm just asking for a minute so I can vibe with you.

Oh girl, girl.

I wanna have a ball with you.

Wanna let you know just how I feel.

You know what I told her too.

Listen.

When your with me on the dance floor dancin', end the night off with a little romancin'.

I love the way you move with the music.

I'm trying to keep my cool, but i'm about to lose it.

The way you push your body all on me, Your making me more horny.

You got a jam rock, jammin' on top pf a mountain, and of course I'm drinking from a fountain.

The red wine, now this is me.

Cash in some green, it aint the same routine.

I love the time I spend with my lady friend.

Take naps then we wake up and do something else again.

Like take cruise and go jet skiing.

I'm glad when you opened up you let me in.

Besides your such a beautiful human being.

And we standin' on the balcony you seein' what I'm seein'?

Oh girl, you picked me up when I was feeling down.

Got me what I needed in times of trouble.

So girl, I wanna have it all with you.

Wanna let you know just how I feel.

How I feel.

Oh girl I wanna have a ball with you.

I wanna let you know just how I feel.
