

Say Something (Syn Cole Remix)

Kylie Minogue

[Verse 1]

We're a million miles apart, in a thousand ways
Baby you could light up the dark, like a solar scape
And I can almost feel you coming, and your heartbeat race
So I want somebody, something, in the joys we make [Chorus]
I, I think about you, yeah
(I can't help thinking 'bout ya, I'm always thinking 'bout ya)
S-s-s-say something, say something
Tell me how you're feeling

[Verse 2]

Oh, we all got wanderlust, in the darkest place
So we're going with our heart, yeah it's all the rage
Oh we're just, just tryna find ourselves, in the storms we chase
Baby, in and out of summer, we could find our way [Chorus]
I, I think about you, yeah
(I can't help thinking 'bout ya, I'm always thinking 'bout ya)
S-s-s-say something, say something
Tell me how you're feeling

[Bridge]

'Cause love is love, it never ends
Can we all be as one again?
'Cause love is love, it never ends
Can we all be as one again?
'Cause love is love, it never ends
Can we all be as one again?
'Cause love is love, it never ends
Can we all be as one again?
'Cause love is love, it never ends
Can we all be as one again?
'Cause love is love, it never ends
Can we all be as one again?
(Say something)

[Outro]

'Cause love is love, it never ends
Can we all be as one again?
'Cause love is love, it never ends
Can we all be as one again?
'Cause love is love, it never ends
Can we all be as one again?
'Cause love is love, it never ends
Can we all be as one again?
