

Talk to Me (feat. Bibi Bourelly)

Nick Brewer

I hit you up, you don't want to write back
Or maybe you don't see me like that
And that's cool baby, I don't wanna fight that
You know me babe, I never been the type that
No I never been the type that
No I never been the type that lies to myself
And I aint lyin' to you
So I don't wanna force nothing
See that aint what I'm trying to do
All I require from you
Is that you stand there
I ain't saying I'm the man, but I am here
I'll make it damn clear
I'll be working my magic, there's no shazam here
I see you playing with your hands there
Maybe you should talk to me
I've been smoking too many cigarettes for you
For you
And I know you wanna win
But if you betting to 100 I know that you'll lose, you'll lose I'm the type of girl that like you
When you do me dirty now
Babe you know this life
Let me show you what I'm about
Talk to me now, oho
Talk to me now, oho
Talk to me now
Dirty now
(I'm looking for the ride) A few more days till I'm Cali bound
(I love to sing it like)
I don't see why you never answer my phone calls (Oh yeah?)
You apologize and said you ain't very social (Oh yeah?)
Now I know that's the past and I'm feeling hopeful (Oh yeah?)
Together we could be better than this beat that I vocal (Oh yeah?)
If only you'd let me show you
Now I know that it's cheesyish don't need a genius
To work out whether you're really feeling this
If it's an unfamiliar feeling, believe me it's cool
Cause I don't wanna do nothing that's devious
Because you're something to me, never nothing to me
And honestly I don't really know if you're gonna agree But anything I'm tryin' tell ya what I
wanted to see
Whether you gonna be coming with me

But you just gotta talk to me And i've been smoking too many cigarettes for you For you
And I know you wanna win
But if you betting to 100
I know that you'll lose, you'll lose I'm the type of girl that like you
When you do me dirty now
Babe you know this life
Let me show you what I'm about
Talk to me now, oho
Talk to me now, oho Talk to me now
Dirty now
(I'm looking for the ride)
A few more days till i'm Cali bound
(I love to sing it like) Come and take a walk on the right side
You ain't gotta pause I'm a nice guy
So why you're debating it?
Tell me why you're debating it.
Come and take a walk on the right side You ain't gotta pause I'm a nice guy
So why you're debating it
Tell me why you're debating it.
I'm the type of girl that like you
When you do me dirty now
Babe you know this life
Let me show you what I'm about
Talk to me now, oho
Talk to me now, oho
Talk to me now
Dirty now
(I'm looking for the ride)
A few more days till I'm Cali bound.
(I love to sing it like)
