

# Fight for You

## Jason Derulo

It's gonna take a lot to drag me away from you...  
There's nothing that a hundred men or more could ever do  
Just like the rain down in Africa  
It's gonna take some time but I know you're worth fighting for!  
I'd fight for you!  
Heybabumbaya  
Heybabumbaya I'd fight for you!  
Heybabumbaya  
Heybabumbaya  
I'd fight for you!  
Friends are cool  
But we both know  
They don't wanna see us together  
Don't wanna lose  
What I live for  
I'm willing to do whatever...  
'Cause I don't wanna see you cry Give our love another try  
I bet we get it right this time  
As long as you're prepared to fight  
I don't wanna live another day (hey!)  
Without your body next to me I'm not gonna let them break us down (hey!)  
'Cause baby I know now! (Yeah!)  
It's gonna take a lot to drag me away from you  
(I'd fight for you)  
There's nothing that a hundred men or more could ever do  
(I'd fight for you)  
Just like the rain down in Africa  
(I'd fight for you  
Yeah yeah!)  
It's gonna take some time but I know you're worth fighting for Whoa-oh-whoa!  
Lets go!  
What they say  
It don't even matter  
They don't really understand (Whoa!)  
Without each-other  
We are barely breathin'  
Lets get air in these hearts again  
'Cause I don't wanna see you cry (cry)  
Give our love another try (try)  
I bet we get it right this time (time)  
As long as you're prepared to fight  
Prepared to fight

I don't wanna live another day (no!)  
Without your body next to me (no!)  
I'm not gonna let them break us down (hey!)  
'Cause baby I know now!  
Know now know now! (Who!)  
It's gonna take a lot to drag me away from you  
(I'd fight for you)  
There's nothing that a hundred men or more could ever do  
(I'd fight for you)  
Just like the rain (Just like the rain, Just like the rain)  
down in Africa (Just like the Rain)  
(I'd fight for you)  
It's gonna take some time but I know you're worth fighting for  
Whoa-oh-whoa! (I'd fight for you)  
Heybabumbaya  
Heybabumbaya  
I'd fight for you!  
Heybabumbaya  
Heybabumbaya  
(Vinino, vinino se pase)  
If you got someone that's worth fightin' for  
Don't let nobody hold ya down  
Let me hear say  
Whoa-oh-oh-oh (Whoa-oh-oh-oh)  
Oh whoa-oh-oh-oh (Oh whoa-oh-oh-oh)  
And if you found someone that's worth dyin' for(Oh!)  
That one you can't live without  
Let me hear say  
Whoa-oh-oh-oh (Whoa-oh-oh-oh)  
Oh whoa-oh-oh-oh (Oh whoa-oh-oh-oh)  
It's gonna take a lot to drag me away from you  
There's nothing that a hundred men or more could ever do  
(I'd fight for you)  
Just like the rain down in Africa  
(I'd fight for you)  
It's gonna take some time but I know you're worth fighting for  
WHOO!  
It's gonna take a lot to drag me away from you  
(I'd fight for you)  
There's nothing that a hundred men or more could ever do  
(I'd fight for you)  
Just like the rain (Just like the rain, Just like the rain)  
down in Africa (Just like the Rain)  
(I'd fight for you)  
It's gonna take some time but I know (Whoa-oh-oh-oh)  
you're worth fighting  
For!  
Whoa-oh-oh-oh!
