

# Mr. Rainmaker

## Warrant

It could have rained for forty weeks dear  
And I'd have never known the difference  
When your life is one long downpour  
You're not sure you'll go the distance You come along with a patch of blue sky  
Inside your arms I found a place that's warm and dry Mister Rainmaker don't waste your time  
I found a girl who is permanent sunshine  
She is the little queen of all of my dreams  
Carry on! And find someone else to rain on  
Love never rained down on me dear  
Only heartache and problems  
Now through your arms I can see clear  
oh, It's only been raining water  
You came along with a patch of blue sky  
Inside your arms I found a place that's warm and dry Mister Rainmaker don't waste your time  
I found a girl who is permanent sunshine  
She is the little queen of all of my dreams  
Carry on! And find someone else to rain on  
Mister Rainmaker don't waste your time  
I found a girl who is permanent sunshine  
She is the little queen of all of my dreams  
Carry on! And find someone else to rain on Mister Rainmaker, yeah, yeah, yeah
