

# God Damn You're Beautiful

Chester See

On the days I can't see your eyes  
I don't even want to open mine  
On the days I can't see your smile  
Well I'd rather sit wait the while  
For the days I know you'll be near  
'Cause a day without you just isn't fair  
See the days I can hear your voice  
I'm left without a choice Plus, I get weak in the knees  
Fall head over heels baby  
And every other cheesy cliché  
Yes, I'm swept off my feet  
Oh, my heart skips a beat  
But there's really only one thing to say:  
God damn you're beautiful to me  
You're everything  
Yeah, that's beautiful  
Yes to me, Oh I can't find the words to explain  
Just how much you got me going insane  
When you speak to me sometimes we fight  
Oh, I stutter my words  
I say, "Nevermind"  
'Cause even when you just walk by  
Well, I look around to seem occupied  
'Cause I'm trying so hard to hide  
Yeah, all of these feelings inside 'Cause I get weak in the knees  
Fall head over heels baby  
And every other cheesy cliché  
Oh, I'm swept off my feet  
My heart skips a beat  
But there's really only one thing to say:  
God damn you're beautiful to me, Oh  
You're everything, yeah, that's beautiful  
Yes to me, Oh  
Yes to me, Oh Yeah, you're beautiful  
Yeah, you're beautiful  
God damn you're beautiful  
To me  
To me
