Burn for You

[John Farnham](#)

Got myself into some trouble tonight
Guess I'm just feelin' blue
It's been so long
Since I've seen your face
This distance between me and you
That voice you showed me is not the one that I know
I must be strong now, in what I do
Don't hang up again
Theres nothing else I know how to doBut I burn for you
What am I gonna i do
i Burn for you
I guess it feels like you're always alone
And I feel that way too
It's so hard to explain to you
Please understand what I doI burn for you
What am I gonna do
I burn for you
Burn for youTook my trouble to a bar tonight
For another point of view
But there's nothing new
I'm missing you andI burn for you
What am I gonna I do
I Burn for you
I Burn for you
I burn for you
What am I gonna I do
I burn for you
I Burn for you
What am I gonna I do
I burn for you
Burn for you
Burn for... you...
