

# It's Goin' Down

Dove Cameron, Sofia Carson, Cameron Boyce, Booboo Stewart, China Anne McClain, Mitchell Hope, Thomas

Huh, let's get this party started  
I swear I'm cold-hearted  
There's no negotiation  
I'm not here for debatin'  
You need some motivation?  
Just look at Ben's face  
Then ask yourself how long you think I'll remain patient  
I'll throw him overboard and let him swim with killer sharks  
You either hand over the wand or he'll be ripped apart  
Now, let's all just be smart  
Although for you that must be hard  
You'll get your wand  
No one has to come to any harm  
Don't try to intimidate  
Your bark is much worse than your bite  
Who's the baddest of them all?  
I guess we're finding out tonight  
Let's go, bring it on  
Better give us what we want  
It's the wand for the crown  
If you don't, it's going down  
Let's go, make your move  
Peace or war, it's up to you  
Give him up and do it now  
If you don't, it's going down  
We want the wand  
Or else the king is gone  
Your time is running out  
You should really watch your mouth  
Let's go, pound for pound  
We're prepared to stand our ground  
Put your swords up, put 'em up  
It's going down  
Oh, oh, oh, make the trade  
Oh, oh, oh, or walk the plank  
Oh, oh, oh, make the trade  
Oh, oh, oh, or walk the plank  
Okay, look, this is not a conversation  
It's a do-or-die situation  
If you don't give me back the king  
I'll have no hesitation  
I'll serve you right here  
And I don't need a reservation  
That way your whole pirate crew can have a demonstration  
Release him now, and we can go our separate ways  
Unless you wanna deal with me and the VKs  
So that's your big speech, huh?

An empty ultimatum? All it takes is one swing and I'll humiliate him  
Matter of fact, make one wrong move and I'll debilitate him  
And if he even starts to slip, I'll eliminate him  
All it takes is one long look and I'll---Harry! We get it. Chill Let's go, bring it on  
Better give us what we want  
It's the wand for the crown  
If you don't, it's going down Let's go, make your move  
Peace or war, it's up to you  
Give him up and do it now  
If you don't, it's going down We want the wand  
Or else the king is gone  
Your time is running out  
You should really watch your mouth Let's go, pound for pound  
We're prepared to stand our ground  
Put your swords up, put 'em up  
It's going down Hey, we don't have to choose  
We don't have to light the fuse  
Mal, whatever you do, it's gonna be a lose-lose  
There's gotta be a better way  
Uma, I promise I'll give you your chance  
You'll have your say Silly king! You? Give me?  
You're gonna give me a chance?  
Well, not a chance Oh, oh, oh, make the trade  
Oh, oh, oh, or walk the plank  
Oh, oh, oh, make the trade  
Oh, oh, oh, or walk the plank Let's go, bring it on  
Bring it on, it's going down  
Time is running out  
Bring it on, it's going down  
Let's go, bring it on  
Bring it on, it's going down  
Time is running out  
Bring it on, it's going down Let's go, pound for pound  
We're prepared to stand our ground  
Put your swords up, put 'em up  
It's going down Yo, woah, woah, oh, yo, woah, woah, oh  
Yo, woah, woah, oh, yo, woah, woah, oh Uma, Uma, Uma, Uma What's my name?  
What's my name?  
What's my name?  
Say it now!
