

# Rhythm Divine

Enrique Iglesias

Escucha el ritmo de tu corazón  
(Feel the rhythm) From the coast of Ipanema  
To the Island of Capri  
All the way to Kuala Lumpur  
I will follow you wherever you may be From the moment I first saw you  
Knew my heart could not be free  
Have to hold you in my arms now  
There can never be another for me All I need is  
The rhythm divine  
Lost in the music  
Your heart will be mine  
All I need is  
To look in your eyes  
Viva la música!  
Say you'll be mine Can you feel the heat of passion  
Can you taste our love's sweet wine  
Join the dance and let it happen  
Put tomorrow cares right out of your mind As the music draws you closer  
And you fall under my spell  
I will catch you in my arms now  
Where the night can take us no one can tell All I need is  
The rhythm divine  
Lost in the music  
Your heart will be mine  
All I need is  
To look in your eyes  
Viva la música!  
Say you'll be mine Gotta have this feeling forever  
Gotta live this moment together  
Nothing else matters  
Just you and the night Follow on the wings of desire  
Now the rhythm's taking you higher  
No one can stop us from having it all  
You are my heart, you are my soul All I need is  
The rhythm divine  
Lost in the music  
You're heart will be mine All I need is  
The look in your eyes  
Viva la música!  
Say you'll be mine All I need is  
The rhythm divine  
Lost in the music

Your heart will be mineAll I need is  
To look in your eyes  
Viva la música!

Say you'll be mineCan you feel the rhythm?

Can you feel the rhythm?

Can you feel the rhythm?

Burning, burningCan you feel the rhythm?

Can you feel the rhythm?

Can you feel the rhythm?

Burning, burningCan you feel the rhythm?

Can you feel the rhythm?

Can you feel the rhythm?

Burning, burningCan you feel the rhythm?

Can you feel the rhythm?

Can you feel the rhythm?

Burning, burning
