

# Do Somethin'

Britney Spears

Do you feel this?  
I know you feel this  
Are you ready?  
I don't think so  
Somebody give me my truck  
So I can ride on the clouds  
So I can turn up the bass like  
Somebody pass my guitar  
So I can look like a star  
And spend that cash like  
What you gonna do when the crowd goes a-yo?  
Why you standing on the wall?  
Music starting everywhere  
So why don't you just move along?  
I see you looking at me  
Like I'm some kind of freak  
Get up out of your seat  
Why don't you do somethin'?  
I see you looking at me  
Like I got what you need  
Get up out of your seat  
Why don't you do somethin'?  
Now you all in my grill  
'Cause I say what I feel  
Only rock to what's real  
Baby, bump-bump  
But I can't do that with you  
Only here with my crew  
You can roll if you can  
Don't be a punk-punk  
What you gonna do when the crowd goes a-yo?  
Why you standing on the wall?  
Music starting everywhere  
So why don't you just move along?  
I see you looking at me  
Like I'm some kind of freak  
Get up out of your seat  
Why don't you do somethin'?  
I see you looking at me  
Like I got what you need  
Get up out of your seat  
Why don't you do somethin'?  
I see you looking at me  
Like I'm some kind of freak  
Get up out of your seat  
Why don't you do somethin'?  
I see you lookin' over here  
Can't you tell I'm having fun?

If you know it like I know  
You would stop  
Staring at us  
And get your own space  
And do somethin'I see you looking at me  
Like I'm some kind of freak  
Get up out of your seat  
Why don't you do somethin'?  
I see you looking at me  
Like I got what you need  
Get up out of your seat  
Why don't you do somethin'?I see you looking at me  
Like I'm some kind of freak  
Get up out of your seat  
Why don't you do somethin'?Fuck  
Do somethin'  
Ow  
Why don't you do somethin'?!
