

# My Prerogative

Bobby Brown

Get busy  
Everybody's talkin' all this stuff about me (Now now)  
Why don't they just let me live (Oh oh oh)  
I don't need permission  
Make my own decisions (Oh)  
That's my prerogative They say I'm crazy  
I really don't care  
That's my prerogative  
They say I'm nasty  
But I don't give a damn  
Gettin' girls is how I live  
Some ask me questions  
Why am I so real  
But they don't understand me  
I really don't know the deal  
About a brother  
Trying hard to make it right  
Not long ago  
Before I win this fight  
Sing!  
Everybody's talkin' all this stuff about me  
Why don't they just let me live (Tell me why)  
I don't need permission  
Make my own decisions (Oh)  
That's my prerogative  
It's my prerogative (It's my prerogative) It's the way that I wanna live (It's my prerogative)  
I can do just what I feel (It's my prerogative)  
No one can tell me what to do (It's my prerogative)  
Cause what I'm doin'  
I'm doin' for you now Don't get me wrong  
I'm really not zooped  
Ego trips is not my thing  
All these strange relationships  
Really gets me down  
I see nothin' wrong  
With spreadin' myself around  
Sing!  
Everybody's talkin' all this stuff about me (yeah)  
Why don't they just let me live (Tell me why)  
I don't need permission (I don't need)  
Make my own decisions (My own decisions)  
That's my prerogative

It's my prerogative (It's my prerogative) I can do what I wanna do (It's my prerogative)  
Truly live my life (It's my prerogative)  
I'm doin' it just for you (It's my prerogative)  
Tell me, tell me Why can't I live my life (Live my life)  
Without all of the things that people say (Oh Oh) Yo tell it, kick it like this  
Oh no no  
I can do what I wanna do  
Me and you  
Together, together, together, together, together Everybody's talkin' all this stuff about me  
(Everybody's talkin')  
Why don't they just let me live (Why)  
I don't need permission (I don't need permission)  
Make my own decisions  
That's my prerogative What is this a bizzit that I can't have money in my pocket  
And people not talk about me  
This world is a trip, I don't know what's going on these days  
Got this person over here talking about me, this person  
Hey, listen, lemme tell you something  
This is my prerogative, I can do what I want to do I made this money, you didn't  
Right Ted?  
We outta here It's my, it's my, it's my, it's my, it's my  
my my my my my my my my my my my my my my my It's my prerogative
