

# Bubbly

## Colbie Caillat

Will you count me in? I've been awake for a while now  
You got me feelin' like a child now  
'Cause every time I see your bubbly face...  
I get "the tinglies" in a silly place It starts in my toes  
And I crinkle my nose  
Wherever it goes  
I always know  
That you make me smile  
Please stay for a while now Just take your time  
Wherever you go  
The rain is fallin' on my window pane  
But we are hidin' in a safer place  
Under cover stayin' dry and warm  
You give me feelings that I adore  
They start in my toes  
Make me crinkle my nose  
Wherever it goes  
I always know That you make me smile  
Please stay for a while now  
Just take your time Wherever you go  
But what am I gonna say  
When you make me feel this way?  
I just... mmmmm...  
And it starts in my toes  
Makes me crinkle my nose  
Wherever it goes  
I always know  
That you make me smile  
Please stay for a while now Just take your time  
Wherever you go  
I've been asleep for a while now  
You tuck me in just like a child now  
'Cause every time you hold me in your arms  
I'm comfortable enough to feel your warmth  
It starts in my soul  
And I lose all control  
When you kiss my nose  
The feelin' shows  
Cause you make me smile  
Baby, just take your time now  
Holdin' me ti-i-ight  
Wherever, wherever, wherever you go

Wherever, wherever, wherever you go  
Oh, wherever you go  
I always know  
'Cause you make me smile  
Even just for a while
