

# These Times

## Walk Off the Earth

I just don't want it  
I just don't want it enough I guess  
Yeah, I just don't want it  
I just don't want it enough I guess  
'Cause these times  
Never seen days like these  
'Cause these times  
Never seen days like these  
And if you saw it, you'd think I flaunt it  
I just don't want it, I just don't want it  
I'm not above it, my body loves it  
I just don't want it  
I just don't want it enough I guess  
Yeah, I just don't want it  
Yeah, I just don't want it enough I guess  
'Cause these times  
Never seen days like these  
'Cause these times  
Never seen days like these  
And if you saw it, you'd think I flaunt it  
I just don't want it, I just don't want it  
I'm not above it, my body loves it  
I just don't want it, I just don't want it  
And if you saw it, you'd think I flaunt it  
I'm not above it, my body loves it  
I just don't want it  
I just don't want it enough I guess  
I just don't want it enough I guess  
'Cause these times  
Never seen days like these  
Never seen days like these  
Never seen days like these (I just don't want it)  
'Cause these times  
Never seen days like these (I just don't want it)  
Never seen days like these  
Never seen days like these (I just don't want it)  
'Cause these times  
Never seen days like these  
'Cause these times  
Never seen days like these  
Never seen days like these  
Never seen days like these

I just don't want it...
