

# Don't Cha Wanna Ride

Joss Stone

I know you got the hummer  
For the summer baby  
But I got your number baby  
I got your number baby I was trying to protect you from yourself  
'Cause I respect you  
And I feel like you just might  
Be some one who I could get into But I never seem to catch your eye  
And it's buggin' me why I even try  
Still you're someone I'd like to get to know  
Is room for me in your one man show?  
A car this fine  
Don't pass your way everyday  
Don't you wanna ride baby?  
Don't you wanna ride baby? A car this fine  
Don't pass your way everyday  
Don't you wanna ride baby?  
Time is slipping by, by, by, by  
Slipping by I was trying to connect with you  
But you act scared when I'm checkin' you  
And all my girls say you're hard to please  
But I think that I got just what you need Get your face out of the mirror  
Then maybe you could consider  
This girl who's knockin' right at your door  
An' make room for me in your one man show  
Oh  
A car this fine  
Don't pass your way everyday  
Don't you wanna ride baby?  
Don't you wanna ride baby? A car this fine  
Don't pass your way everyday  
Don't you wanna ride baby?  
Time is slipping by, by, by, by  
Oh I know you got the hummer  
For the summer baby  
But I got your number baby  
I got your number baby I know where you live  
I know all 'bout your crib  
But do you?  
(Do you?)  
Do you?  
(Do you?)  
Know that they can't give you what I give?

No lonerOoo hoo hoo hoo  
(A car this fine don't pass your way everyday)  
Don't ever seen a car this fine oh  
(Don't you wanna ride baby?)  
So don't you wanna ride baby  
(A car this fine don't pass your way everyday)  
Time is gone too waste  
You better tell me to my face(Don't you wanna ride baby?)  
Did you feel me baby?  
Then we'll win it baby  
(A car this fine don't pass your way everyday)  
Time will follow me  
You better kiss me, what you care  
(Don't you wanna ride baby?)  
Yea you'll win it baby  
Did you feel me baby?Oh yea  
(A car this fine)  
Yea  
Don't pass your way everyday  
(Everyday)  
(Don't you wanna ride baby?)  
Don't you wanna ride baby?  
Baby, baby, oh  
(A car this fine don't pass your way everyday)  
Don't you wanna ride baby?  
Baby, yea, yea, yea
