

Cigarettes In the Theatre

Two Door Cinema Club

It starts in the theater
A night of encounters
If I hadn't been there
If not for a cigarette And you could see it change
Look past the blinding light
Look past the blinding light
Just keep talking on
Tell me your favorite things
Tell me your favorite things Difference in opinion was never an issue
Collect all your questions
'Cause this time we've all night
And you could see it change
Look past the blinding light
Look past the blinding light
But just keep talking on, on, oh oh oh
Tell me your favorite things
Tell me your favorite things
Ooohh
...
And you could see it change
Look past the blinding light
Look past the blinding light
Just keep talking on
Tell me your favorite things
Tell me your favorite things
...
