Cigarettes In the Theatre

Two Door Cinema Club

It starts in the theater A night of encounters If I hadn't been there If not for a cigaretteAnd you could see it change Look past the blinding light Look past the blinding light Just keep talking on Tell me your favorite things Tell me your favorite thingsDifference in opinion was never an issue Collect all your questions 'Cause this time we've all night And you could see it change Look past the blinding light Look past the blinding light But just keep talking on, on, oh oh oh Tell me your favorite things Tell me your favorite things Ooohh . . . And you could see it change Look past the blinding light Look past the blinding light Just keep talking on Tell me your favorite things
