## Jungle

When you're so high you  
When you fall from the sky you  
So come down from the clouds  
Come down on me  
So come down from the clouds  
Come down on me  
I've been loving you too long  
I've been loving you too long  
So come down from the clouds  
Come down on me  
So come down from the clouds  
Come down on me  
When you're so high you don't think  
When you fall from the sky you won't break  
I've been loving you too long  
I've been loving you for too long
