Piss Factory

Patti Smith

Sixteen and time to pay off I got this job in a piss factory inspecting pipe Forty hours thirty-six dollars a week But it's a paycheck, Jack. It's so hot in here, hot like Sahara You could faint in the heat But these bitches are just too lame to understand Too goddamned grateful to get this job To know they're getting screwed up the ass All these women they got no teeth or gum or cranium And the way they suck hot sausage But me well I wasn't sayin' too much neither I was moral school girl hard-working asshole I figured I was speedo motorcycle I had to earn my dough, had to earn my dough But no you gotta, you gotta [relate, babe,] You gotta find the rhythm within Floor boss slides up to me and he says "Hey sister, you just movin' too fast, You screwin' up the quota, You doin' your piece work too fast, Now you get off your mustang sally You ain't goin' nowhere, you ain't goin' nowhere." I lay back. I get my nerve up. I take a swig of Romilar And walk up to hot shit Dot Hook and I say "Hey, hey sister it don't matter Whether I do labor fast or slow, There's always more labor after." She's real Catholic, see. She fingers her cross and she says "There's one reason. There's one reason. You do it my way or I push your face in. We knee you in the john If you don't get off your get off your mustang Sally, If you don't shake it up baby. " Shake it up, baby. Twist & shout" Oh that I could will a radio here. James Brown singing "I Lost Someone" or the Jesters and the Paragons And Georgie Woods The guy with the goods and Guided Missiles ... But no, I got nothin', no diversion, no window, Nothing here but a porthole in the plaster, in the plaster, Where I look down.

Look at sweet Theresa's convent All those nurses, all those nuns scattin' 'round With their bloom hoods like cats in mourning. Oh to me they, you know, To me they look pretty damn free down thereDown there not having crystal smooth Not having to smooth those hands against hot steel Not having to worry about the inspeed The dogma the inspeed of labor They look pretty damn free down there, And the way they smell, the way they smell And here I gotta be up here smellin' Dot Hook's midwife sweatI would rather smell the way boys smell--Oh those schoolboys the way their legs Flap under the desks in study hall That odor rising roses and ammonia And way their dicks droop like lilacs Or the way they smell that forbidden acrid smell But no I got, I got pink clammy lady in my nostril Her against the wheel me against the wheel Oh slow motion inspection is drivin' me insane In steel next to Dot Hook -- oh we may look the same--Shoulder to shoulder sweatin' 110 degrees But I will never faint, I will never faint They laugh and they expect me to faint But I will never faint I refuse to lose, I refuse to fall down Because you see it's the monotony that's got to meEvery afternoon like the last one Every afternoon like a rerun next to Dot Hook And yeah we look the same Both pumpin' steel, both sweatin' But you know she got nothin' to hide And I got something to hide here called desire I got something to hide here called desire And I will get out of here--You know the fiery potion is just about to come In my nose is the taste of sugar And I got nothin' to hide here save desire And I'm gonna go, I'm gonna get out of here I'm gonna get out of here, I'm gonna get on that train, I'm gonna go on that train and go to New York City I'm gonna be somebody, I'm gonna get on that train, go to New York City, I'm gonna be so bad I'm gonna be a big star And I will never return, Never return, no, never return, To burn out in this piss factory And I will travel light. Oh. watch me now.
