

Hillbilly Blues

Trick Pony

Well baby there's something wrong
And I can tell that it needs fixin'
Well it's written all over your face
And no one can miss it You been mopin' around with that hound dog frown
Like your best friend just left ya
It's all right, it's all right, it's all right
It's all right, it's all right That ain't nothin' but a lovesick heart broke hillbilly blues
It ain't nothin' but a lowdown sad-song she's-gone attitude
That remedy, a little bit of me for Y O U
To get you over them
Lovesick heart broke hillbilly blues
So put your arms around me baby
I can make it better
When I get through with you
You'll soon forget her It ain't no big deal, I know how you feel
I've been right where you're standin'
It's all right, it's all right, it's all right
It's all right, it's all right That ain't nothin' but a lovesick heart broke hillbilly blues
It ain't nothin' but a lowdown sad-song she's-gone attitude
That remedy, a little bit of me for Y O U
To get you over them
Lovesick heart broke hillbilly blues
Oh come on
Ain't nothin' but a lovesick heart broke hillbilly blues
It ain't nothin' but a lowdown sad-song she's-gone attitude
That remedy, a little bit of me for Y O U
I get you over them
Lovesick heart broke hillbilly blues Well I get you over them
Lovesick heart broke hillbilly blues
That's right
Oh, come on over, baby
