

# Burn Me Down

Nathan Sykes

It sweeps the mountain peaks  
The city streets and corners of the mind  
It's in the eyes of every man that day he finds the will to fight  
It's the risk we take 'cause we don't know what it will be  
So I'll take this leap of the edge  
And go down in love or flames  
Girl I need your fire  
Oh I need your fire  
Set the world on fire  
Oh I need your fire  
When the sun comes up at the break of day  
That's the way your touch sets the sky's ablaze  
Girl I need your fire  
Oh I need your fire  
So burn me down  
It's in the pain of every broken heart you've ever had before  
It's in the heart of every mother when they send their sons to war  
It's the risk we take 'cause we don't know what it will be  
So I'll take this leap of the edge  
And go down in love or flames  
Girl I need your fire  
Oh I need your fire  
Set the world on fire  
Oh I need your fire  
When the sun comes up at the break of day  
That's the way your touch sets the sky's ablaze  
Girl I need your fire  
Oh I need your fire  
So burn me down  
And you tell me you love me  
By the way you burn  
Your fire ignites me  
Don't let it fade away, away  
Girl I need your fire (hey!)  
Oh I need your fire (need your fire, need your fire)  
Set the world on fire (set the world on fire)  
Oh I need your fire (need your fire)  
When the sun comes up (sun comes up) at the break of day  
That's the way your touch (way your touch) sets the sky's ablaze  
Girl I need your fire (oh I need)  
Oh I need your fire  
So burn me down (so burn me down)  
(Down, down)  
(yeah, yeah, yeah yeah, yeah yeah, yeah yeah yeah)  
(burn me, burn me, burn me down)

If you love, if you love  
Please burn me down
