

# Magnify

## We Are Messengers

I've been trying to make sense  
of the sorrow that I feel  
Holding on for life to the  
only thing that's real I've only scratched the surface  
I've barely had a taste  
But just a glimpse draws  
my heart to change  
And one side of you lays  
my sin to waste  
I don't need to see everything  
Just more of you Take it all take it all away  
Magnify no other name  
Open up open up my eyes  
To you  
Take it all take it all away  
Magnify no other name  
Open up open up my eyes  
To you My sight is incomplete  
and I made you look small  
I've been staring at my  
problems for way too long  
Realign where my hope it set  
Until you're all that's left But just a glimpse draws my heart to change  
And one side of you  
lays my sin to waste  
I don't need to see everything  
Just more of you  
Take it all take it all away  
Magnify no other name  
Open up open up my eyes  
To you Take it all take it all away  
Magnify no other name  
Open up open up my eyes  
To you God be greater than  
the worries in my life  
Be stronger than the  
weakness in my mind  
Be louder let your  
glory come alive  
Be magnified God be greater than  
the worries in my life  
Be stronger than the

weakness in my mind  
Be louder let your  
glory come alive  
Be magnified Be magnified Take it all take it all away  
Magnify no other name  
Open up open up my eyes  
To you Open up my eyes  
Take it all take it all away  
Magnify no other name  
Open up open up my eyes  
To you To you
