Fuck all that bullshit! You watch me play.  
I look away.  
Your lights turn bright.  
You found the light. Take, off in space. You and I.  
Take, off in space. You and I. You're gonna die!  
Wanting me, why?  
I wish I your strength  
Inside your soul escapes. Take, off in space. You and I.  
Take, off in space. You and I. Cry, into me.  
Hold me... something... alright...  
The kids that die listening to me.  
You are alive!  
Time for change  
You and I need  
Take, off in space. You and I stay...  
Take, off in space. You and I.  
Take, off in space. You and I.  
I...
