

# Why I Love You

## B2K

Oh(exaggerated)

Yeah uh

I love youCheck this outVerse 1  
From day one you and I've been friends  
Hanging out, having fun, chillin  
Now I know at times I got crazy  
Silly ways and acting shady  
(Ha Ha Ha Ha Check this out)  
You peep things in me no one sees  
You hold it down for sheezy  
Now I have friends I thought were true  
But no one more true than you  
So what am I gonna do?

Bridge 1

It took a while for me to see  
How special you treated meChorus  
Maybe that's the reason why I love you  
You're my heart girl  
And with all the crazy things that I do  
You're still here girl  
No one else can make me feel like you do  
You've shared my world  
Baby that's the reason why I love youVerse 2  
No other girl is quite like you  
And no one has my back like you do  
Girl you're one of a kind  
And you blow my mind(Baby mmm)  
And I'm glad to say you're mine

Bridge 2

Girl you're the one who changed me  
From a boy into a man(Yeah Yeah Yeah)Chorus  
Maybe that's the reason why I love you  
You're my heart girl  
And with all the crazy things that I do  
You're still here girl  
No one else can make me feel like You do  
You've shared my world
