

Be Right Here (feat. GOLDN)

Kungs & Stargate

When the lights go down, and the stars come out
I'll be right here
I'll be right here When the lights go down, and the stars come out
I'll be right here
I'll be right here I'll be here for you
When it's dark out, on the water
And you can't breathe I'll be here for you
When it's past three, in the morning
And you can't sleep I'll be here for you
When your heart breaks, when you lose faith
Yeah, I promise
I'll be right here
I'll be right here
I'll be right here, here, here, here (Go on, it's over)
(Go on, it's over)
(Go on, it's over)
(Go on, it's over) I'll be here for you
When it's dark out, on the water
And you can't breathe I'll be here for you
When it's past three, in the morning
And you can't sleep I'll be here for you
When your heart breaks, when you lose faith
Yeah, I promise
I'll be right here
I'll be right here
I'll be right here, here, here, here (Go on, it's over)
(Go on, it's over)
(Go on, it's over)
(Go on, it's over) When the lights go down, and the stars come out
I'll be right here
I'll be right here When the lights go down, and the stars come out
I'll be right here
I'll be right here I'll be right here
