

# Buttons

Lecrae

For better or for worse  
Make it work  
I ain't goin nowhere Yeah, I messed up, but you hurt me, Blew it like it's yo' birthday  
And you love it baby on Wednesday, but I make you sick on Thursday  
And I know I'm wrong and you shutin' down, and I touch down like "What now?"  
Why we going through all this? Why things gotta be rough now?  
But, you had so many break-ups, you can't believe  
You go and break my heart that I forgive and I ain't leave  
Don't define you by your faults, ain't gon' push your buttons either  
Everyday we startin' fresh, this is how it's s'posed to be  
Never try to take advantage, you respect me as a man  
But every once 'a while you get to poppin' off and say stuff you shouldn't be sayin'  
But I'm witchu, I ain't playin', if it's thick or if it's thin  
Both the times and your figure, girl, this is who I am  
I love you baby, that's real talk, and this life we live is a real walk  
I ain't goin' nowhere, tell your girlfriends that it's still on  
I love you baby, that's real talk, this life we live is a real walk  
I ain't goin' nowhere, tell your friends that it's on For better or for worse  
Sometimes I make you sick, and you get on my nerves  
Make it work  
I ain't goin' nowhere, and I give you my word  
I will be right here  
All though you push my buttons  
I ain't leavin' You can keep on pushin'  
I ain't leavin'  
I be makin' you mad, girl  
But you said you'll never leave me lonely  
So I had to put a ring up on it, 'cause our commitment ain't no game  
Yeah we laugh, but we ain't playin', I'mma always be yo' mane  
And I know sometimes I upset you, be pushin' all o' you buttons  
We be fussin', fighting over nothin', you can try to leave, but I'm comin'  
We gon' work it out with no runnin', pushin', shovin'  
I know sometimes that I'm selfish, but I jump in front of yo' bullet  
Cause you everything that prayed fo', plus a little bit extra  
Even when you getchu an attitude and you act a little bit extra  
Listen, you make better, babe, you make better, babe  
You got my heart and you can have it for forever, baby  
And though we'll never break up, I hate it when we mad But love it when we get to make up, no  
lines that I could make up  
To let you know how much I got you covered, girl  
And I only be pushin' yo' buttons because I love you, girl For better or for worse  
Sometimes I make you sick, and you get on my nerves

Make it work  
I ain't goin' nowhere, and I give you my word  
I will be right hereAll though you push my buttons  
I ain't leavin'  
You can keep on pushin'  
I ain't leavin'We can go through fire, but it won't  
Make us leave each other, no  
Coz this love is stronger even though  
You push my buttons boyFor better or for worse  
Sometimes I make you sick, and you get on my nerves  
Make it work  
I ain't goin' nowhere, and I give you my word  
I will be right here  
All though you push my buttons  
I ain't leavin'  
You can keep on pushin'  
I ain't leavin'
