## So Into You

## **Atlanta Rhythm Section**

When you walked into the room There was voodoo in the vibes I was captured by your style But I could not catch your eyes Now I stand here helplessly Hoping you'll get into meI am so into you I can't think of nothing else I am so into you I can't think of nothing elseThinking how it's going to be Whenever I get you next to me It's gonna be good, dont you know From your head to your toe Gonna love you all over, over and over Me into you, you into me, me into you I am so into you I am so into you, oohWhen you walked into the room There was voodoo in the vibes I was captured by your style But I could not catch your eyes Now I stand here helplessly Hoping you'll get into meI am so into you I can't get to nothing else I am so into you baby I can't get to nothing else No no no come on baby I am so into you Love the things you do Listen baby Driving me crazy, oooh Come on baby, oo-ooh I am so into you Love the things you do Come on baby I am so into you (x3)
