

# Use Somebody

Brooke White

I? ve been roamin? around, I was lookin? down  
On all I see  
Painted faces fill the places I can? t reach  
You know that I could use somebody  
You know that I could use somebody  
Someone like you with all you know and how you speak  
Countless love is undercover on the street  
You know that I could use somebody  
You know that I could use somebody, yeah  
Someone like you, oh, oh, oh, oh  
Someone like you  
Someone like you  
Use somebody  
Someone like you  
Use somebody, yeah  
Off in the night, while you live it up  
I? m off to sleep  
Ragin? wars to shape the poet and the thief  
Well, I hope it? s gonna make you notice  
Yeah, I hope it? s gonna make you notice, mmm  
Someone like me  
Someone like me, oh, oh, oh, oh  
Someone like me  
Use somebody  
Someone like me, somebody, yeah  
Oh, oh, oh, ohI? m ready now  
I? m ready now  
I? m ready now  
I? m ready now  
I? m ready now  
I? m ready now  
I? m ready now  
Use somebody  
Use somebody  
Somebody, yeah  
Someone like youI? ve been roamin? around  
I was lookin? down at all I see
