## Theatres des Vampires

When the horizon will be red blood wherver he is or goes  
I will be with you you walk the path of seven black candles Vision of black might... dream of  
reality  
whispers od ancient spirit in the forest... forever as one! I give the occult art of Goezia Strigis  
I give the horrid power of Capiquel  
Ancou the powers of Dioxemeion  
When the priest invokes his God... You will give the death to him with the Roasry of Blood  
and the Numero Putrefactionis  
You will be... a new Vampire!
