

# Love Hurt Bleed

Gary Numan

Love seems all I want  
Love seems all I need  
Love seems everything  
I know everything bleeds Everything bleeds  
Everything bleeds  
Everything bleeds  
Everything bleeds  
Everything bleeds  
Love for things I love  
Love for thing to think  
Love for everything  
I know everything bleeds Everything bleeds  
Everything bleeds  
Everything bleeds  
Everything bleeds  
Everything bleeds Do, do you know my name?  
Do, do you know what I've shamed?  
Do, do you think I'm lost?  
Do, do you think I pray?  
Everything bleeds  
Everything bleeds  
Everything bleeds  
Everything bleeds  
Everything bleeds Everything bleeds  
Everything bleeds
