Love Hurt Bleed

Gary Numan

Love seems all I want

Love seems all I need

Love seems everything

I know everything bleeds Everything bleeds

Everything bleeds

Everything bleeds

Everything bleeds

Everything bleeds

Love for things I love

Love for thing to think

Love for everything

I know everything bleeds Everything bleeds

Everything bleeds

Everything bleeds

Everything bleeds

Everything bleedsDo, do you know my name?

Do, do you know what I've shamed?

Do, do you think I'm lost?

Do, do you think I pray?

Everything bleeds

Everything bleeds

Everything bleeds

Everything bleeds

Everything bleeds Everything bleeds

Everything bleeds
