

# Proud of Me Now (feat. Lil Bibby)

## A Boogie wit da Hoodie

A-Boogie]

Are you proud of me now?  
Are you proud of me now? Look down on me now  
Talk down on me now  
Oh, you my homie now?  
Hold it down, hold it down  
Don't look out for me now  
You a clown on me now  
Are you proud of me now?  
Are you proud of me now? Look down on me now  
Talk down on me now  
Oh, you my homie now?  
Hold it down, hold it down  
Don't look out for me now  
You a clown on me now  
Are you proud of me now?  
Are you proud of me now?  
I was just tryin' to be honest  
I was in debt now I'm Johnny  
Pull up in matching Ferraris  
Don't act like you never saw me  
I was just shopping at Barneys  
Now they be sending me garments  
Keepin' that fly shit on me  
New Chanel now when they call me  
On the road rollin' spliffs  
Never fold, never switch  
If you broke hit a lick  
If he told he a bitch  
I know hoe's think I'm rich  
They so nosy and shit  
You can't smoke with my clique  
We smoke O's in the whip  
Have you ever drove a Wraith nigga?  
Make you feel like you in space nigga  
Do you wanna get paid nigga?  
Know these streets ain't safe nigga  
So much money, got a bank with us  
So much money, got a safe with us  
We ain't playin', they afraid of us  
Come thru and make it rain nigga  
I came up of a tape, you got nothin' on the table

I don't know what you think, nigga I'm with High Bridge The Label  
They want me to be on top being on cable  
They just want me to be on the block, back where I came from  
Look down on me now  
Talk down on me now  
Oh, you my homie now?  
Hold it down, hold it down  
Don't look out for me now  
You a clown on me now  
Are you proud of me now?  
Are you proud of me now? Look down on me now  
Talk down on me now  
Oh, you my homie now?  
Hold it down, hold it down  
Don't look out for me now  
You a clown on me now  
Are you proud of me now?  
Are you proud of me now? See, I never changed up  
Lookin' hard, yeah I stayed up  
Same niggas used to hate us  
Tryin' to kick it 'cause I came up  
I guess it just come with the fame  
Tryin' to throw dirt on my name  
I was just poppin' them Xans  
That's how I dealt with the pain  
I channeled the thoughts of my brain  
I did it all for the gang  
I went and brought me some chains  
I just been stacking my change, told my lil' brother don't change  
Just treat me the same  
Never worry 'bout them niggas sneak dissing, 'cause hate never paid you  
They weren't with you shootin' in the gym, but they round talkin' 'bout they made you  
Niggas don't love you, they hate you  
I went and flooded the Haysoos  
We was just dodging the state's troops  
Now bitches coming in 8 groups  
Niggas clowns to me now  
Tell 'em niggas talk down on me now  
See me in the hood, you can't get a dap or a pound from me now Look down on me now  
Talk down on me now  
Oh, you my homie now?  
Hold it down, hold it down  
Don't look out for me now  
You a clown on me now  
Are you proud of me now?  
Are you proud of me now? Look down on me now  
Talk down on me now  
Oh, you my homie now?  
Hold it down, hold it down

Don't look out for me now  
You a clown on me now  
Are you proud of me now?  
Are you proud of me now?
