

First Real Love (feat. Beenie Man) / Outro

Ashanti

It's my first real love out of all loving
It's my first real love and I don't wanna lose it now
But every time we get so close
I fear that love will lose us both
It's my first real love out of allHey, baby
You are all I ever wanted
You are everything I need
Never knew that I could have a love like this
All the things you do to me
Ain't nobody ever take me away from you
Cause boy my love is yours
It's my first real love out of all loving
It's my first real love and I don't wanna lose it now
But every time we get so close
I fear that love will lose us both
It's my first real love out of allIt's my first real love out of all loving
It's my first real love and I don't wanna lose it now
But every time we get so close
I fear that love will lose us both
It's my first real love out of allMy first real love
Hey, yeah
Baby, you know anytime you want it
You know you can come and get it
Never turn away your love cause I need thee
All the things you do to me
Ain't nobody ever take me away from you
Cause boy my love is you
