Light the Universe (feat. Candice Night)

Helloween

In a house up the hill
Lays a boy, he's sleeping still
And the time's creeping by
Till the world prepares to die
Then again out of dust

Will arise what ended last

And the boy will awake

Give his dream a little brakeAnd the story now goes on and on and on

As the old has died the new arises

And a child will

Light the universe

Light the universe

We got blind, we can't read the signs

Light the universe

Light the universe

We don't find what's hidden in the mindUnder sand in a sea

Covered with eternity

Beats a heart with no fame

Quietly whispering my name

When my time has run out

I will hear it very loud

Telling tales I once knew

But forgot by losing youAnd the story... has gone... on and on and on

As the old has died the new arises

And a boy will

Light the universe

Light the universe

We got blind, we can't read the signs

Light the universe

Light the universe

We don't find what's hidden in the mindSolo: Sascha
