

Golden Dawn

Edguy

He was born into this world
Living love but he got hurt
And he sighed when he beheld
The bleeding lamb Blood and tears drip on the ground
Dung the olives on the mount
Love is crucified, made way
For the greed of man There's no way out of here No we don't, don't wanna take it no more
No we don't, don't wanna wait forever
(Chorus)

Golden dawn, a new age has begun
Golden dawn, in every single one
Don't you run away, don't say it's all too late
Start to ring in the age... The golden dawn Killing brothers, sick ideals
TV-Shows lie and reveal
Poor philistine reasons why
to hate a man
It's so easy to give in
do your dirty trick and win
Join those lemmings to the shore
and fly but then Don't complain if you'll drown in the end Kill to eat, when you're the final one
There's no one to compete
Then find the time to think of a...
(Chorus)

Golden dawn, a new age has begun
Golden dawn, in every single one
Don't you run away, don't say it's all too late
Start to ring in the age... The golden dawn
