

# Tek Off

## Ramriddlz

I never cared what she did before me  
You only call when you're lonely  
Just tell the truth, that's the least you owe me  
If you hold me down babe, I'll let you hold me  
Girl I'm gone, I'm gone, I'm gone  
I don't know what you're on, you're on  
I can tell you're all alone when you're on the phone  
But you think you know me  
Gone, I'm gone, I'm gone  
I don't know what you're on, you're on  
I can tell you're all alone when you're on the phone  
Calling me the one  
You're overreacting, that's not how you feel  
Baby quit acting  
Let's just keep it real  
You're overreacting, that's not how you feel  
Baby quit acting  
Let's just keep it real  
She like [?] when I meet her, ya, ya  
"Mr. Ramrod, it's nice to meet you", yo, yo  
I brought the backwoods she bring me Khalifa  
Cause I got the Franklin to 'Retha  
I need that box like bento  
If not now, I don't know when to  
Baby I'm down in Toronto  
If you're tryna get run through  
You know who to run to  
Girl I'm gone, I'm gone, I'm gone  
I don't know what you're on, you're on  
I can tell you're all alone when you're on the phone  
But you think you know me  
Gone, I'm gone, I'm gone  
I don't know what you're on, you're on  
I can tell you're all alone when you're on the phone  
Calling me the one  
You're overreacting, that's not how you feel  
Baby quit acting  
Let's just keep it real  
You're overreacting, that's not how you feel  
Baby quit acting  
Let's just keep it real  
Girl you're too fine and, to be waiting in that line and  
The city's getting cold, let me take you to the islands  
Babe stop the whining, let's get to whining

Wining and dining cause baby I been grinding, so...Girl I'm gone, I'm gone, I'm gone  
I don't know what you're on, you're on  
I can tell you're all alone when you're on the phone  
But you think you know me  
Gone, I'm gone, I'm gone  
I don't know what you're on, you're on  
I can tell you're all alone when you're on the phone  
Calling me the oneTryna get close, close, close, tryna get closer  
But I need some clos-clos-clos, I need some closure  
I love it when you lose them clothes  
Love it when you lose them clothes  
Girl, I love it when you lose them clothes  
Girl just take it off  
Love the way you take it off  
Then we taking off  
Taking off
