

Downtown

Patti LuPone

When you're alone and life is making you lonely,
You can always go - downtown.
When you've got worries, all the noise and the hurry
Seems to help, I know. - down town.
Just listen to the music of the traffic in the city,
Linger on the sidewalk where the neon signs are pretty.
How can you lose?The lights are much brighter there,
You can forget all your troubles,
Forget all your cares.
So go - down town
Things'll be great when you're - down town.
No finer place for sure - down town,
Ev'rything's waiting for you. - Down town.
Don't hang around and let your problems surround you,
There are movie shows - down town,
Maybe you know some little places to go to
Where they never close. - down town.
Just listen to the rythm of a gentle Bossa Nova,
You'll be dancing with 'em too before the night is over.
Happy again.The lights are much brighter there,
You can forget all your troubles,
Forget all your cares.
So go - down town
Where all the lights are bright - Down town,
Waiting for you, tonight - Down town,
You're gonna be all right now. - Down town.And you may find somebody kind to help and
understand you.
Someone who is just like you and needs a gentle hand
To guide them along,
So, maybe I'll see you there,
We can forget all our troubles,
Forget all our cares.
So go - down town
Things'll be great when you're - down town,
Don't wait a minute more - down town,
Ev'rything's waiting for you.Down town, down town,
Down town, down town
