

Jesus

Shekinah Glory Ministry

(Lead)

I'm so glad

You died for me

I'm so glad

You shed your blood for me

I'm so glad

You rose for me

Sweet Jesus--Jesus

Sweet Jesus--Jesus I'm so glad

You died for me

So glad

You shed your blood just for me

So glad

You rose for me

Sweet Jesus--Jesus

Sweet Jesus--Jesus

Lead (Choir just repeats Jesus)

Help me say

Jesus

Sweet Jesus

Jesus

The precious name

of Jesus

The powerful name

of Jesus

How he loved me

I won't ever know

How he cared for me yeah

The precious name of

How he loved me in spite of me

The name, the name Jesus

It's so sweet I know, I know, I know

Oh I love the name

What you did for me on Calvary

No man would have done

But you loved me in spite of me yeah

You loved me just as much

To be hung there and died

You were thinking just of me

What a God, what a God

Budda couldn't do it for you

Confucius couldn't do it either

God is
He's God all by himself
The name, the name, the name of
The precious name
How I love the name, I love the name of
Jesus
When I think of his goodness & all he's done for me
I can't help but give him glory
He is God all by himself
Come on give him glory
At the name of Jesus demons must flee
That's the kind of power he's given us
We can speak to that sickness and it will leave
That's what he said in his word yeah
He said I've come to give you life more abundantly
That's what he did at the cross for you & me (REPEAT 3Xs)
But I'm so glad he rose on the third day
With all power in his hand
Yeah
Jesus, Jesus, Jesus
Jesus, Jesus, Jesus
The powerful name of
The precious name, glorious name
The name of Jesus yes it is
No other name I know
I'm talking about Jesus
How he loved me I'll never know, I'll never know
Yes he did
He loved me in spite of me
Cause he knew I wasn't fit to die
He died just for me
He said I can handle it daughter
I took care of it on the cross for you
I took care of it, bore it on the cross for you
Nobody but Jesus
Come on give him glory
The name of Jesus
Come on give him glory
The name of Jesus
Come on give him glory
The name of Jesus
The precious name
The precious name of Jesus
No other name I know
No other name I know
Jesus
Jesus
I can't help but worship
The music don't even have to play

For me to give him worship
The music don't even have to play
For me to give him worship
How I love him oh yeah
How I love him, oh yeah
How I love him, I love him, I love him, I love him
how I love him, I love him
How I love him, I love him, I love him
See I don't need a dance partner cause I've got Jesus
When I think of his goodness & what he's done
When I think of his goodness & what he's done
I've gotta give him glory
Jesus
Glory hallelujah
Jesus
Hallelujah
Bless the lord
