TLC

Switch
switch
switch
switch

I ain't one to be questioned
About who and where I've been
I ain't one to be questioned
About what time I came in
Tryna squeeze, baby please
Hit the road and don't come back
'Cause I can't trust a relationship
Wit no trust and that's a fact

Switch

Don't take no mess from nobody

Switch

If they act up just leave 'em alone

Switch

Don't take no mess from nobody

Switch

When ya done wit 'em you can send 'em home

I won't answer to no one

Until I feel I'm ready to

I'm gonna have my fun

Doin' the things I like to do

See I need space get off my case

Stop breathin' down my back

Cause we ain't gotta relationship

If that's how you have to act

Commitment true devotion

Right now is not the way

For you to come at me

When I need it

I'm sure you'll be the first to know

But for now, in my plans, no demands

I'm gonna have to make a switch

Switch

Throw his behind in a ditch

While my definition states as it relates

To us mates, one eliminates

Solely contemplates n' de associates

Like my new drink was V-8's

Just as quick as I get in it

I'll drop 'em in a minute Like the dollaz
In my pocket, Speedy Gonzalez
Couldn't stop the way I spin it
I'm known for breakin' every speed limit
This switch could be infinite
I said L to da E to da F to the T to da E to the Y
Because I'm so fly
Bring it back to the E so come and see me
At the hotel motel Holiday Inn
I said if you man starts actin' upu
Switch and take his friend
Erase replace embrace new face come on
Erase replace embrace new face
Switch
Don't take no mess from nobody
Switch
If they act up just leave 'em alone
Switch
Don't take no mess from nobody
Switch
When ya done wit 'em you can send 'em home
