

# Snake Charmer

Patty Griffin

I'm coming for you, coming for you  
Yeah I'm seeing all the signs  
First all the humiliations  
And then you were reassigned  
But I'm the snake charmer, snake charmer  
And it's going to be fine  
We're gonna trick it up  
Pick it up  
Grow it up  
Show it up good  
Shake it up  
Bake it up  
You don't even know it  
But you should  
I'm the snake charmer, snake charmer  
And it's going to be good  
I'm coming for you, coming for you  
Something deeper than a mine  
Maybe it's time you stopped pretending  
That you knew it all the time  
I'm the snake charmer, snake charmer  
And I'm gonna make it shine  
We're gonna pick it up  
Stick it up  
Grow it up  
Show it up good  
Shake it up  
Bake it up  
You don't even know it but you should  
I'm the snake charmer, snake charmer  
And it's going to be good
