Unleashed (Duet Version)

Epica

Declining, all color fading
Defining, time coming for me
Rescinding, my inspiration
Receding consciousnessBack in the day, I can recall that
My thoughts were unclouded and sage
There was no black staining the walls of my memories
Now there's a haze pushing me sideways
And leaving me nothing to gain

Taking me back, locking me cold in disparityWhere was I meant to be?

I feel I'm lost in a dream

Long for the day I can be myself

When I'm free

When my sun has set

Released my soul forever

I'll have no regret

To be free

I'll exist again

No more lost endeavors

Nothing to contend

When I'm freeColor declines, all that defines me

Is falling away, far behind

Nothing to keep me with the time, the here and nowWhere am I meant to be?

I feel I'm lost in a dream

Yearning again only to be myself

When I'm free

When my sun has set

Released my soul forever

I'll have no regret

To be free

I'll exist again

No more lost endeavors

Nothing to contend

When I'm freeCure me, free me, help me, see me

No more worry, no more losing...(Save me, near me, help me, hear me

no more heartache, no misery...)

Time is just a concept

And always the first thing to fade

(Cure me, free me, help me, see me

No more worry, no agony...)

Agony and weakness

Nothing we can never evade

{Save me, near me, help me, hear me

No more heartache, no despairing (We despair)}

Years are cruel, they break us

Bringing on decay and despair

{Cure me, free me, help me, see me

No more worry, no repairing (No repair)}

Awareness and perception

Something we can never repairFreedom for me is all I'm really wanting, needing

Give me power to break out

I can't hold on for any longer

My time has come to end it allNo one to blame, fate's only random

It's nothing we'll ever explain

So it remains Where was I meant to be?

I feel I'm lost in a dream

Long for the day I can be myself

FreeWhen will I be unleashed?

It's not the way it should be

Yearning again only to be myself

Unleash my consciousness

When I'm free

When my sun has set

Released my soul forever

I'll have no regret

To be free

I'll exist again

No more lost endeavors

Nothing to contend

When I'm free
