

# Fire and the Flood

Vance Joy

I was only walking through your neighborhood  
Saw your light on honey in the cold I stood  
Anywhere I go there you are  
Anywhere I go there you are I been getting used to waking up with you  
I been getting used to waking up here  
Anywhere I go there you are  
Anywhere I go there you are There you are  
There you are You're the fire and the flood  
And I'll always feel you in my blood  
Everything is fine  
When your hand is resting next to mine  
Next to mine  
You're the fire and the flood  
Since we met I feel a lightness in my step  
You're miles away but I still feel you  
Anywhere I go there you are  
Anywhere I go there you are  
Late at night when you can't fall asleep  
I'll be lying right beside you counting sheep  
Anywhere I go there you are  
Anywhere I go there you are There you are  
There you are You're the fire and the flood  
And I'll always feel you in my blood  
Everything is fine  
When your hand is resting next to mine  
Next to mine  
You're the fire and the flood  
Now listen here she said  
Boy when you know you'll know  
And I know  
You're the fire and the flood  
And I'll always feel you in my blood  
Everything is fine  
When your hand is resting next to mine  
Next to mine  
You're the fire and the flood
