

# Beautiful Bride

## Flyleaf

Unified diversity  
Functioning as one body  
Every part encouraged by the other  
No one independent of another  
Irreplaceable, indispensable  
You're incredible, incredible Beautiful bride  
Body of Christ  
One flesh abiding  
Strong and unifying  
Fighting ends in forgiveness  
Unite and fight all division  
Beautiful bride  
Strengthen your arms now  
Train your fingers for battle  
Urgency's here now  
Train your fingers for battle  
Fighting this violence  
With your feet wrapped in peace  
Sad tears and silence  
Now screams of joy  
Victory Beautiful bride  
Body of Christ  
One flesh abiding  
Strong and unifying  
Fighting ends in forgiveness  
Unite and fight all division  
Beautiful bride  
Beautiful bride  
Body of Christ  
One flesh abiding  
Strong and unifying We're not gonna fall and forget  
How far you went to pick us up  
If one part's hurt the whole body's sick  
If one part mourns we all mourn with him Rejoice  
And we'll sing with you  
Hallelujah, hallelujah  
Hallelujah, hallelujah Beautiful bride  
Body of Christ  
One flesh abiding  
Strong and unifying  
Fighting ends in forgiveness  
Unite and fight all division

Beautiful bride Beautiful bride  
Body of Christ  
One flesh abiding  
Strong and unifying  
Fighting isn't forgiveness  
Unite and fight all division  
Beautiful bride
