

# He Welcomes the Beggar

## 11th Hour

He Welcomes the Beggar  
He laid by the gate, begging the rich man for bread  
Sores on his skin, some said he's better off dead  
And when that day came,  
Lazareth closed his eyes, carried by angels to Abraham's side  
Oh what a moment, when everything changes  
Imagine the glory, the sound of the praises  
When God in His riches, He lavishes treasure  
And into His kingdom, He welcomes the beggar.  
To all of the poor, the bruised, the broken like me  
There is a hope for the desperate, the lonely and weak.  
There's a day coming, I'm telling you now,  
We'll trade all our sorrows for a glorious crown  
Oh what a moment, when everything changes  
Imagine the glory, the sound of the praises  
When God in His riches, lavishes treasure  
And into His kingdom, He welcomes the beggar.  
Blessed are the poor in spirit,  
For theirs is the kingdom of Heaven.  
Oh what a moment, imagine the glory, the sound of the praises  
When God and His riches, lavishes treasures  
And into His kingdom, His kingdom, welcomes the beggar.  
He welcomes the beggar
