

Where Ya At? (feat. Phife)

Shaquille O'Neal

Yo Shaq, where ya at?
I'm over here
Yo Shaq, where ya at?
Yo, yo, I'm over here Yo Shaq, where ya at?
Phife, I'm over here
Yo Shaq, where ya at?
Phife, I'm over here Yo Shaq, where ya at?
Yo yo, I'm over here
Yo Shaq, where ya at?
Phife Dawg, I'm over here Yo Shaq, where ya at?
I'm over here
Get on the microphone
And just rip the track
Who the hell is Shaq Attack? You'd better read the paper
Treat me like Biz Markie you'd better catch a vapor
I've got mad props so why would you exploit
Punch you in your face like that kid from Detroit Really yo you'd better ask MC Hammer 'bout
this bad mama jama
Tall kid with the hoopa hypa lipta-gramma
Watch out yo it's time for MC bashin'
Got more loot than my man Johnny Cash and I'm hard like a 360 twice jam
Ask Dr. Dre and Ed Lover who's the man
I'm sure they'll say me brother please don't play me like a shrimp
Dunk it on your head then I'll point like Shawn Kemp Don't need the drink crooked I juice to get
loose
My favorite cartoon is Bullwinkle the Moose
I'm 'bout to sting you like rubbing alcohol
Yes, yes y'all call me Ed Jones 'cause I'm too tall
Put the rhyme between my legs then I'll score
Never mind a whore I wanna do a phat tour
Come freak the style that the big Michelle display
You know the style that be my forttee Hey Phife, where ya at?
I'm over here
Yo Phife, where ya at?
Hey yo I'm over here Yo Phife, where ya at?
You know I'm over here
Yo Phife, where ya at?
I'm over here Phife Dawg, where ya at?
Hey yo, I'm over here
Yo Phife, where ya at?
Phife Dawg is over here Yo Phife, where ya at?
Hey yo, I'm over here

Get on the microphone
And rip a funky track It's the Phife and Shaq mission plus Shaheed's got the goods
Making rough daddy jams knocking harder than wood
Make ya boogie with the fly Armstrong crew
Phife Dawg and Shaq Fu this is how we do Funky renditions there's no competition
Split MC's apart as if their group was New Edition
Make MC's hush stop look and listen
It's hard to comprehend so they commence to reminiscing Far from an amateur microphone
damager
End your whole career, beat down your manager
Never was a herb kick you to the curb
There's more to my attitude than the city of Johannesburg Styles are mean but this year they're
even meaner
Canyon chips on my shoulder so call me Sarafina
Guarantee martin pissin' and a fartin'
Mess around with this and you'll be on a milk carton MC's don't like me I say tough titties
Blow up the spot like my man from Jersey City
People always askin' 'why is Phife so cocky?'
I gotta be good at something cause I can't play hockey You know the status and the status is live
The first draft-pick for the label called Jive Yo Shaq, where ya at?
I'm over here
Hey Yo Shaq, where ya at?
Phife, I'm right here Hey yo Shaq, where ya at?
Phife, I'm over here
Yo Big Shaq, where ya at?
Yo Phife, I'm over here Yo Shaq, where ya at?
Phife, I'm right here
Yo Shaq, where ya at?
Phife Dawg, I'm over here Yo Shaq, where ya at?
I'm over here
You can't front on the track
'Cause the track is phat Yo, here I am again you'd better call the cops
Pump up your Reebok's and ya just don't stop
I got mad styles you better sit and watch
I can kick it like he-he then I'll grab my crotch Yo it's 1993 I mean nineteen-ninety-Shaq
Whatever year it is the Shaq will never slack
Giving mad shouts to my homeys up in New Or'
On and off the court you know I do her Peace to that dog and peace to this dog
Here comes the Phife Dawg aka the top dog
World's greatest 5-footer as if you didn't know
Rhymes are like the Lord's lessons they constantly flow MC's need to step on you see it is to
As long as the mic's on that's when I get my run on
Battle anybody come bring your whole crew
You want the short black Eskimo come see me in my igloo Nasty like vomit couldn't clean it
with comet
Psycho like the Lords, crazy like Onyx
Forget the hes and shes and concentrate just on the flow
Phife Dawg signing off enjoy the rest of the show Yo Shaq, where ya at?
I'm over here, yo Phife, where ya at?

I'm over here, Big Shaq, where ya at?
